East Jakarta, DKI Jakarta | +6283872584941 | Jakarta,06 April 2000 | linkedin.com/in/tegarmhafiez/

As a graduated student from University in Indonesia with Informatic Technology major and GPA 3.40, I'm confident and eager to learn more about Quality Assurance to be my next career path.

Education

- SMKN 4 Jakarta – Jakarta   2015 – 2018
  Metal Fabrication
- Sekolah Tinggi Ilmu Komputer Cipta Karya Informatika - Jakarta   2018 - 2022
  Bachelors Degree Computer Science – Informatic Technology

Work Experiences

PT INDOKOMAS BUANA PERKASA   Mar 2023 – Sept 2023
Technical Administrator

  Part of Commissioning Division on Data Center project in Karawang - Indonesia.
- As commissioning admin, update and report are part of my duties. Based on the actual inspection from other parties, I need to make and update the report in the client platform to make sure the data deliver correctly and easy to understand to all parties.
- Setting, running and basic repairing site office inventory (printer, scanner, laptop and some technical equipment).

SAVE THE CHILDREN INDONESIA   Jan 2021 – Des 2021
Local Facilitator

- As an agent to handle and also supervise the division goals. In terms of handling of football division, I teach and report every event that is related to the division's goals.
